

Imagine Being Better Informed

A petition to ask KERA to broadcast the daily news program [Democracy Now!](#) as part of their daily lineup.

As documented by [Fairness and Accuracy in Reporting](#), [David Barsamian](#), [Robert McChesney](#), [Jerry Starr](#), Peter Hudiburg and others, **NPR has the same pro-war, pro-corporation, anti-labor, anti-environmental biases that are found in the commercial media!** But isn't NPR supposed to be the independent alternative?

We seem to be living in a state of perpetual war. We are seeing more corporations and their officers being accused of high crimes, and stealing BILLIONS from their stockholders and from their workers' retirement accounts. **Now more than ever, we need an outlet for news and public affairs programming with an anti-war angle, which puts *people before profits*. Now more than ever, we need KERA to air [Pacifica Radio's Democracy Now!](#), hosted by award winning journalist Amy Goodman.**

Add your name to the growing list of names on our petition. Let KERA know that we are here, there are many of us, and that we won't go away. Let KERA know that **We Want Democracy Now!**

`` We, the undersigned respectfully ask KERA to balance the biases found in NPR news and public affairs programming by daily broadcasting Pacifica's Democracy Now! We will pledge our financial support for this excellent addition to good programming at KERA.``
